RULES AT THE RANCH / WHEN VISITING

- The ranch can only be visited if an appointment has been made with the on-site team and confirmed.
- The visiting times will be arranged with the on-site team a few days in advance.
- Photos and videos may only be taken during the visit (we are always grateful for posts and stories).
- You will be instructed on site about rules of conduct - please follow them.
- You are welcome to bring food donations, but please leave them at the entrance. Also, no food should be given to the dogs from outside as this can lead to conflicts among our dogs and end badly. Feeding is always done under controlled conditions, and no feeding will be done during a visit.

We ask you to fill out and sign this form and return it to us with a copy of your ID.
We thank you in advance for your interest in our work, our ranch and the dogs.
